CLERK, U.S. DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN JOSE

Per McAfee Williamson Claims Administrator notification card I have been identified as being in both the Auto-Renewal Class and the Reference Price Class, based on McAfee's records.

My objection to the settlement is that I feel a deceptive sales tactic used to advance the business and profit of McAfee deserves more of a financial punishment than \$11.50.

I am not represented by counsel at this time.

I will not attend or testify at the Final Fairness Hearing in person. No Counsel will appear on my behalf. I have no witness to attend and testify or submit a deposition or affidavit. There will be no exhibits submitted as evidence.

Thank you,

Robbie Bailey (fka Robbie Murdock)
